

To reach the registration page, it is necessary to go through this privacy policy.

ISOM'23 privacy policy

According to the Japanese law, we inform you of our privacy policy. We (the Organizing Committee) are committed to protecting the personal information of the applicants. Your personal identifiable information (personal information) will be collected only when you make the registration for ISOM'23 (hereinafter the "Conference").

Without an applicant's consent, we (the Organizing Committee) will not use such information for the purposes other than operating and managing the Conference, responding to inquiries from applicants for the Conference, offering the conference information to the applicants, sending the information on the future ISOM.

For smooth operation of the Conference, we (the Organizing Committee) are entrusting the operation of collecting, storing, managing, and handling personal information regarding the Conference to the following company, who will act as the Registration Desk under a confidentiality agreement.

In case there is an error in your personal information collected for the Conference, please inform the Registration Desk to have it corrected or deleted.

Offering personal information is voluntary, but please note without offering the necessary information, you are unable to attend the Conference.
